NOYZE KOMPLAYNT

PRODUCER · DJ · SAN DIEGO / LOS ANGELES · TECH HOUSE

NOYZE KOMPLAYNT is a half-Persian club producer and DJ, raised between Los Angeles and San Diego on Middle Eastern music, rap, rock, metal and techno. The current run is tech house with hip-hop weight — heavy 126-BPM grooves built for rooms with real subs. He came up throwing parties before making the music for them, and now runs his own San Diego/Los Angeles club night, **LOCAL FREQUENCIES**.
